

Jax Cafe COVID-19 Safety Plan

I. Staff Preparedness Plan

- * Review the list of COVID-19 symptoms and be aware of them at all times.

- * If you have any symptoms or are sick, stay home from work.

- * Before a work shift, all staff will be required to fill out a Health

assessment questionnaire and have their temperature taken.

- * All staff will wear face masks, use gloves when appropriate, wash hands regularly and use sanitation stations.

- * Will use a stylus for ringing on POS to keep it a “no touch” procedure.

- * Staff will show up to work in full uniform and only one person will be allowed in locker room at a time.

- * Cell phones are not allowed on your person during your shift or in the pantry area.

- * Refrain from touching hair, face or mask.

- * Staff will keep social distancing as much as possible in common work areas.

SINCE 1933

II. Guest Safety Plan

- * Jax will open for dinner only Tuesday - Sunday by Reservations.
- * If you are sick, we ask you to please stay home.
- * Please enter by way of door on University Ave and Exit by side door.
- * Jax will have several sanitation stations set up by all doors and other areas.
- * All staff will wear masks at work.
- * Staff will wipe down chairs and tables after each use.
- * Bathrooms will be sanitized regularly.
- * Silverware will be rolled in napkins by staff with gloves after it is cleaned.
- * Tables will be spaced 6 feet apart.
- * Bread and water service will be by requests only.
- * No touch menus will be available by QR scan on your phone, jaxcafe.com or we will provide a one use only menu for your convenience.
- * Please keep proper social distancing when checking in for your reservation.
